

LIST OF CONTRIBUTORS.

IN the execution of our design, an independent feature of which is to give a weekly column of news of interest to our readers, we have endeavored to make direct communication with the heads of Admiring Societies, and other organizations, and individuals, whose labors in behalf of the disabled veterans will be chronicled in the columns of this paper. We have also endeavored to give the names of the men who have been entitled to receive the benefits of the law, and to whom the same have been granted.

A NEW CALL.

We thank the numerous men of our friends throughout the country for their encouraging and appropriate words. The large sums we receive from our friends, and the many contributions of our subscribers to the fund, we are encouraged to make a new call, and ask our friends to do the same.

"400,000 DOLLARS."

as early a date as possible. Our monthly statement will at least afford circulation, and the friends of the disabled veterans will be pleased to know how many calls you can send us!

THE SOLDIER'S FRIEND, WEEKLY.

Ten appeals made to each of all parts of the country, for a weekly base, have of course been constant and repeated. The large sums we receive from our friends, and the many contributions of our subscribers to the fund, we are encouraged to make a new call, and ask our friends to do the same.

It is now time for a weekly paper, clear and distinct, to be published, with a deep and interesting history, and a weekly column, in General of U. S. Grant, the standard-bearer of the Union. The response to the Convention of the Colonies. The remarkable record of the life of George Washington, the life of the Colonies, of the United States, in the candidate for the office of Vice-President. We need not adduce the names of the great men of the world, and the distinguished officers. We need not waste words, or effort to discuss their merits.

The paper will be called "The Soldier's Friend," and will be edited by a splendid army of the ablest soldiers of the Union.

As soon as the paper is ready, we will name a date, and will be enlarged, so that it shall hold its place in the weeks of weekly journals the world over.

The "Soldier's Friend" of being the best and cheapest journal of its class in the country, and the best journal of the cause of the disabled veterans.

It is now time for the friends of the disabled veterans to be called.
